Auction 76 - British & Commonwealth Sale

LIVE BIDDING BEGINS: JAN 31, 2023 12:00 PM BST

Overview of auction procedures

Registration

We recommend that you register with us as early as possible if you wish to bid in our auctions and have never previously registered. This may be done via our website (www.auctions.thecoincabinet.com > Sign Up) or by email to contact@thecoincabinet.com. Alternatively, you can also register through www.the-saleroom.com. The registration process may include references, security checks, or a bidding limit placed for first time bidders. The day of the auction is an extremely busy time, and we cannot guarantee that registrations on the day will be accepted.

Bidding

Please read our full terms and conditions at [General Conditions of Sale | The Coin Cabinet Auctions](#)

Pre-Bidding via www.auctions.thecoincabinet.com

We list our sales between 1-3 weeks before the live sale. During this period, registered bidders can place advance bids, known as pre-bids. Pre-bidding is an effective method if you wish to leave bids in advance of the live sale. You can also set a maximum pre-bid that can be higher than the current high bid. Current high bids on lots can be seen by others online, but your maximum bid cannot be seen by others, nor will your bidder identity. Your pre-bidding maximum will automatically bid against other incoming bids incrementally until the maximum is reached. You will receive an email notification should you be outbid. You may raise your maximum bid, but you cannot cancel a bid. Please email us at contact@thecoincabinet.com or call **020 3808 5855** should you wish to lower your maximum bid.

Live Bidding via www.auctions.thecoincabinet.com or www.the-saleroom.com

You can bid live from your computer or mobile device through our app (available for download on Android or iOS). We provide optional live video and/or audio feed of the auctioneer, allowing the online bidder to participate as if on the auction floor.

Bidding Priority

Please note that in the event of tied top bids, priority is given to the first bid received. We prioritise pre-bidding top bids over live bidding. It is therefore possible that a lot can sell at your live bid to a pre-bidder. To avoid confusion, the auctioneer will stress to the live bidder that they tied the pre-bidder, whose bid will take priority, and to bid again if they wish.

Saleroom Notices

Should the description of a lot need to be amended after the publication of this catalogue, the amendments will appear automatically on the website. Any pre-bidders on amended lots will be notified of the amendment. The auctioneer will announce any saleroom notices at the start of the auction and refer to any notices at the time any affected lot is offered for sale.

Images

The Coin Cabinet website features high-quality colour images of every lot in this auction. Further additional photographs may be requested by email. Please note that the images online and in this catalogue are not to scale.

Buyers' Premium (BP)

The BP for this sale is 6% of the Hammer Price (+ VAT where applicable).

Prices Realised

The hammer prices of lots sold at The Coin Cabinet auctions are posted online in real time.

Payment

You will receive your invoice the next working day after auction. Payment is to be made within 14 days by bank transfer.
