## Auction 96 - End of Month

LIVE BIDDING BEGINS: OCT 31, 2023 12:00 PM BST

# Overview of auction procedures

## Registration

We recommend that you register with us as early as possible if you wish to bid in our auctions and have never previously registered. This may be done via our website ([www.auctions.thecoincabinet.com](http://www.auctions.thecoincabinet.com) > Sign Up) or by email to [contact@thecoincabinet.com](mailto:contact@thecoincabinet.com). Alternatively, you can also register through [www.the-saleroom.com](http://www.the-saleroom.com). The registration process may include references, security checks, or a bidding limit placed for first time bidders. The day of the auction is an extremely busy time, and we cannot guarantee that registrations on the day will be accepted.

## Bidding

Please read our full terms and conditions at [General Conditions of Sale | The Coin Cabinet Auctions](#)

Pre-Bidding via [www.auctions.thecoincabinet.com](http://www.auctions.thecoincabinet.com)

We list our sales between 1-3 weeks before the live sale. During this period, registered bidders can place advance bids, known as pre-bids. Pre-bidding is an effective method if you wish to leave bids in advance of the live sale. You can also set a maximum pre-bid that can be higher than the current high bid. Current high bids on lots can be seen by others online, but your maximum bid cannot be seen by others, nor will your bidder identity. Your pre-bidding maximum will automatically bid against other incoming bids incrementally until the maximum is reached. You will receive an email notification should you be outbid. You may raise your maximum bid, but you cannot cancel a bid. Please email us at [contact@thecoincabinet.com](mailto:contact@thecoincabinet.com) or call 020 3808 5855 should you wish to lower your maximum bid.

Live Bidding via [www.auctions.thecoincabinet.com](http://www.auctions.thecoincabinet.com) or [www.the-saleroom.com](http://www.the-saleroom.com)

You can bid live from your computer or mobile device through our app (available for download on Android or iOS). We provide optional live video and/or audio feed of the auctioneer, allowing the online bidder to participate as if on the auction floor.

## Bidding Priority

Please note that in the event of tied top bids, priority is given to the first bid received. We prioritise pre-bidding top bids over live bidding. It is therefore possible that a lot can sell at your live bid to a pre-bidder. To avoid confusion, the auctioneer will stress to the live bidder that they tied the pre-bidder, whose bid will take priority, and to bid again if they wish.

---

## Saleroom Notices

Should the description of a lot need to be amended after the publication of this catalogue, the amendments will appear automatically on the website. Any pre-bidders on amended lots will be notified of the amendment. The auctioneer will announce any saleroom notices at the start of the auction and refer to any notices at the time any affected lot is offered for sale.

## Images

The Coin Cabinet website features high-quality colour images of every lot in this auction. Further additional photographs may be requested by email. Please note that the images online and in this catalogue are not to scale.

## Buyers' Premium (BP)

The BP for this sale is 6% of the Hammer Price (+ VAT where applicable).

## Prices Realised

The hammer prices of lots sold at The Coin Cabinet auctions are posted online in real time.

## Payment

You will receive your invoice the next working day after auction. Payment is to be made within 14 days by bank transfer.

UNITED KINGDOM. Victoria, 1837-1901.

Gold half-sovereign, 1887. London. Imperfect J DISH L508.

The issues the mint encountered with the Jubilee coins are well documented and were exacerbated by the pressure for the coins to be ready for the Queen's Golden Jubilee on 20 June 1887. Records show that 1,771,425 half-sovereigns were struck in 1887, but only 871,770, less than 50% of the total, were fit for circulation. To improve metal flow silver was included in the alloy, which makes all 1887 London Jubilee head half-sovereigns stand out for their lighter colour. Although this variety is the most common of the 1887 Jubilee head half sovereigns, it is highly sought after due to the fascinating story surrounding the series, recently told by David Iverson and Steve Hill in their publication 'The Jubilee Head Gold Half Sovereign 1887-1893' (Sovereign Rarities, 2019).

Gold 1/4 sovereign, 2017. Royal Mint. Proof.

Commemorating the 200 year anniversary of the modern sovereign 1817-2017, featuring the original design of St. George and the Dragon as made by Pistrucchi.

Fifth crowned head of Elizabeth II facing right; JC below; ELIZABETH II · DEI · GRA · REG · FID · DEF · 2017 ·. Design by Jody Clark. / The reverse depicts an illustration of the legend of St George as the slayer of the dragon, in its original 1817 interpretation. St George is on horseback, advancing to right, wearing a helmet and chlamys (cape, or cloak) fastened in front by a fibula, and holding a broken lance. His left hand clutches the rein of the horse's bridle, and he does not wear armour, other than on his lower legs and feet, with his toes bare. The saint's horse appears to be half attacking, half shrinking from the dragon, which lies wounded by George's spear and in the throes of death. The point of the lance is broken off in the dragon's side. In relief in the left part of the ground line, the artist's initials B.P. (for Benedetto Pistrucchi). Surrounding the image, a Garter circlet inscribed with the Order of the Garter's motto, HONI · SOIT · QUI · MAL · Y · PENSE · (from old French: Shame on he who thinks evil). Design by Benedetto Pistrucchi. Edge milled. *In secure plastic holder, graded NGC PF 70 ULTRA CAMEO, certification number 6031519-021.*

### 152 **2019 Silver 5 Pounds (2 oz.) Una and the Lion Proof NGC PF 69 ULTRA CAMEO Box & COA**

UNITED KINGDOM. Elizabeth II, 1952-2022.

Silver 5 pounds, 2019. Royal Mint. Proof.

The Queen depicted as Una and the Lion was a controversial design issued at a time of great uncertainty. Victoria had only just turned 18 when she became Queen and Empress of the world's leading empire at the time, with dominions scattered around the globe. All eyes were on her to deliver the huge task of leading the empire to future prosperity. The depiction of Victoria as Lady Una, calmly directing the enormous beast by her side, the Lion (representing England), was a clever analogy, using the characters from Edmund Spenser's poem *The Faerie Queene* (written in 1590). It was the first time in history a British monarch was depicted on a coin as a fictional character.

As part of the Great Engravers series the coin offered here has caused equal amounts of admiration and frustration due to the low mintage and low-profile marketing from the Royal Mint. The mintage being just 225 pieces, it was immediately sold out and shortly thereafter coins were selling for multiples of the issue price on the secondary market. The Una and the Lion design is perhaps the most iconic of all British coin designs. The original 5 Pound piece struck for Queen Victoria in 1839 has been one of the best performers of all British investment coins but its performance now eclipsed by its modern version, leaving most collectors with little chance of ever getting one. This will be one to keep for the future.
